Dear Scott,

Career Day '91 on Wednesday, November 13, 1991 at Willard High School was an overwhelming SUCCESS!

Thank you for donating your time and expertise to speak for 1 session on your career in Announcing/Broadcasting. The enclosed information is intended to provide you with feedback from the students and staff who attended your sessions.

The staff at Willard High School currently plans to continue offering the Career Day program every other year. Again, I would like to express my sincerest thanks for a job well done.

Lappy Holidays.

Mr. Jim Norris Public Service Director WSWR-FM 476 Main Street Shelby, OH 44875

Dear Mr. Norris:

I want to thank you for the wonderful support your station has given to Easter Seals over the past year by airing our public service announcements.

These spots were designed to educate the public about people with disabilities and hopefully change attitudes and perceptions. We will continue to produce hard-hitting spots and have our new campaign ready for release later this summer.

Your support in the past and hopefully in the future helps tremendously in our mission of helping people of all ages and disabilities achieve maximum independence. Public education and advocacy programs are an essential part of Easter Seal services, because if people with disabilities cannot find housing, jobs, or transportation to get to jobs and schools after they leave our rehabilitiation programs, they haven't reached maximimum independence.

On behalf of the 170 Easter Seal Societies that operate more than 400 program service sites nationwide for people with disabilities, thank you for supporting our mission and public education efforts.

Sincerely,

Gentlemen:

On behalf of the AARP Tax-Aide Program, I thank you very much for the free public service announcements you made about our free income tax counseling service during the recently completed income tax filing period.

Thank you for your cooperation. This year our service provided assistance to 64 taxpayers in Shelby, an increase of 3.2% over last year.

Please forgive my tardiness in expressing my appreciation. My wife and I took a five-week vacation trip to Australia and New Zealand immediately after the end of the tax season, returning May 19, 1991, and I am just now getting caught up on some unfinished business.

Sincerely yours,

Dear Mr. Norris:

Your station provided critical community awareness to the Family Support Network of The American Legion by airing public service announcements between October and December.

On behalf of more than 3-million men and women of The American Legion, I extend thanks for your contribution to what quickly became a successful <u>community</u> program.

Since the toll-free service began in October, more than 2,500 people have been helped, including 100 from Ohio.

From helping recover an impounded car in New York to meeting living needs because of military allotment problems, Legionnaires and members of the American Legion Auxiliary demonstrated the true commitment of our hometown involvement.

As 1991 begins I ask you to consider re-airing, or continuing to air, the announcements. Our troops remain involved in Operation "Desert Shield." Their families continue to need special help. The American Legion family is standing by. With your support, we can continue to provide Desert Shield families the special community assistance they need, from veterans and their families who understand the problems of separation.

Sincerely,

Dear Bill:

What a great voice! Everyone is still talking about the super job you did not only as moderator but also as part of the entertainment. Thanks for agreeing to be "the Shark", at a last-minute's notice, for our Campaign Finale Luncheon on Monday, November 5, 1990! You brought an air of excitement to "The Championship Game" and kept the ball rolling with little notice. Thank you.

We also appreciated receiving the donation of \$4,100 from WSWR from the Cleveland CAVs Press Tour. If you generated this much money with no previous experience and very little preparation time, wonder what you and your staff will be able to do next year. You can bet that I plan to be around to find out.

Don't forget to mark your calendar for Thursday, January 31st from 5:30-8:00 PM for our Campaign Awards Recognition Dinner at the Holiday Inn. You agreed to moderate the program. I'll be in touch with you to discuss the specifics and schedule a "dress rehearsal" for the other participants.

Dear Dave & Staff:

On behalf of the children, physicians and scientists at St. Jude Children's Research Hospital, please accept my deepest appreciation for a job well done.

Our first ever Radiothon on Wizard 100 allowed us to raise nearly \$2,000 and share our special message to communities throughout North Central Ohio. Thanks to the commitment made by the WSWR staff, we have begun what I hope will be an enduring tradition of success.

Currently, St. Jude Hospital is providing life saving treatment to over thirty children in the Richland County area. These children and their families depend upon the generosity of people like you and me to perpetuate the services offered at St. Jude Hospital, made available without regard to their ability to pay. There are more than 4,200 other children depending on St. Jude Hospital as well. The efforts of the WSWR staff and local volunteers will certainly make a difference in the lives of these children and their families.

Until we meet again, I wish you all a world of success and happiness. It was an honor to work with you.
